**A Journal of Duplicious Doings,  
Raw Power, and Naked Greed**

*"Oh, what a tangled web we weave  
When first we practice to deceive!"*

## BORIS JOINS BPA!

The BPA is the Boardgame Players Association which means I've paid my registration fee and have a voting membership for Avaloncon/PlayersCon/World Boardgaming Championships or whatever we end up calling it. So, yes, I'll be heading back to Hunt Valley this summer for my annual humiliation. Hope to see some of y'all there this year.

You may have noticed by now that the USPS has snuck another penny onto the rate for a first class stamp. Haven't found out what it's done to the rate for the second and later ounces. This won't affect subscriptions rates for the moment.

So far we've only had one response for KREMLIN, Ron Fisher calling the faction acronym "TREKIE". The rest signed up should respond soonest to secure one of the five remaining slots.

### STANDBY ALERT:

**MAGIC REALM:** Fern & Xyla

Interested parties should send in orders for each position they are interested in. If the present player again fails to submit orders on time, a random drawing will be held.

### BORIS'S BULLETIN BOARD

**THOUGHT FOR THE MONTH:** "per-ju-ry (n): the voluntary violation of an oath or vow either by swearing to what is untrue or by omission to do what has been promised under oath."

--Webster's Ninth New Collegiate Dictionary.

Chris Trent is looking for volunteers to playtest his Northern California (No Cal?) DIP variant covering the San Francisco-Sacramento area. If there's enough interest he might be able to run it by e-mail. Chris's address & e-address are on pp 19 and 18 respectively.

Conrad von Metzke has changed his e-address again (he must be avoiding someone).

### BOOS & KUDOS

This month's Madame Bolduc Press Excellence Award (& free issue) goes to Peter Boyum for his article datelined "Germany-England" in "Boris XIII".

This month's Ms Nar Super-Sudsy Bomb is lobbed at fellow K-Marter John Ringhoffer for incomplete ADV CIV orders.

**PERSONAL COMMUNICATION HERE (maybe):**

**Deadline for most games is Noon CST 6 Feb 99**

## ITALY SQUEEZED!! Stab in East?

X11  
1998i

Spring 1905

**ERRATA:** Twas German A **BEL** (not SMY) that had to r-otb or to RUH.

**MINAS MORGUL:** It appears that Italy is doomed to be the next victim as TUN is firmly under French control while Wormtongue has a 3-on-2 against NAP. The Tsar's southern fleets will be too little too late but should ultimately give Austria major headaches. His northern fleets, however, threaten to swallow England whole in a year or two. Germany can hold out this year provided France and England don't aid the Tsar. To respond to the Tsar's attack on CON, Wormtongue is nicely positioned to counter against SEV and then the Russian heartland.

### TROOP MOVEMENTS

German A HOL & Italian A VEN retreat otb. Austria builds A BUD & A VIE. England builds F LON. Germany scuttles F IRL. Russia builds A WAR and F STP(nc).

Austrian F NAP must retreat otb or to TYN.

Due next time are orders for retreat and Fall 1905 and **Press**. Ms Nar craves Press!

### EMBASSY BEAT

France - World: I have seen the error of my ways. I grovel at the feet of my colleagues except for that swine Austria who should not expect any more favors. I would much enjoy placing a hot poker up his backside should I get the opportunity.

France - Italy: Sorry. I wasn't thinking straight when I helped that miscreant Austria.

France - Germany: Ditto. I made a dumb bargain with the devil. Bad move.

Germany-All Right Then, I'll take you all on in a pack or one at a time. Come on.

Russia - Germany: Actually, I've promised the beer elsewhere.

Russia - France: I don't think I'd like the kind of help you're giving the Italians.

### BORIS WORLD PRESS REVIEW

**Belfast Bombast:** German seamen escape to Ireland and start farming (the real cause of the 'troubles').

## EUROPE MOBILIZES!! Three Build Two!

Winter 1981/82

XIII  
1998Q

**KLENDATHU:** The Great Powers are feverishly mobilizing their reserves -- except sleepy VIE which can't seem to exert the will. The raising of a second British Expeditionary Force surely signals a desire to intervene forcibly on the Continent. Likewise the appearance of A WAR suggests ill will against either or both Teutonic Powers.

### TROOP MOVEMENTS:

Austria builds A BUD. England builds F LON and A EDI. France builds F Bre & A Par. Germany builds F KIE & A BER. Italy builds F NAP. Russia builds A WAR. Turkey builds F CON.

**AUSTRIA** (Holiday): F Gre, A Ser, A Tri, A Bud;

**TURKEY** (Fryling): A Bul, F Aeg, A Ank, F Con.

Due next time are orders for Spring 1902 and **Press**. Ma Nar craves Press!

### EMBASSY BEAT

F - E: Don't take offense about my fleet. I just wanted to have some defense should you decide that my existence doesn't profit you.

Germany - England: I guess we can't be peaceful with each other. You have to change your cretinous ways or face the consequences. Leave the continent immediately. Retire to England and wait for my arrival. We can discuss the terms of German/Russian/French occupation. The Tsar can have Edinburgh. I'll take Liverpool and France will have London. Seems fair to me.

Germany - France: Truce. Kick English butt! Let's not bicker. Quit trying to move into Munich.

Germany - Russia: Sorry about Sweden. Take it so we can kick the Beefeater back into the sea. He's an arrogant sack of gerbil droppings.

### BORIS WORLD PRESS REVIEW

**Prussian Black Press:** An underground movement of Prussian Royalists is openly questioning the wisdom of the Kaiser. "First he angers the French with no communication and now he has thumbed his nose at the tsar with his attack on Sweden, the man must be mad." The Prussian Royalists hope to replace the Kaiser with one of their own and will promise be on more friendly terms with their neighbors. As such they welcome the help of the English troops in Belgium and would also

### STELLAR CONQUEST

JTK: Due next are orders for combat for Turn 42 and for Movement for Turns 43-44. Remember, this is a variable ending game, so Turn 44 has a 50% chance of being the last turn.

Willie: Have replacement, but will he/she actually replace?

Tommy: Awaiting Turn 21 combat and orders for Turns 22-24.

## BALKAN WARS VI

Greeks, Serbs Thwacked!  
Spring 1912

1998f  
pb08

**CLIFFPHONE:** The favored Greeks have suffered their first serious setback while the Serbians continue to be slapped around. Can the philosophers of Athens convince the louts of Tirana to disband their fleeing army? Elsewhere in the region, chaos, anarchy, and venality reign supreme. Don't you love the smell of burning gun cotton in the morning?

### TROOP MOVEMENTS

Greek A MAC and Serbian A TIR must retreat otb or to SKO. If both are ordered to SKO, both are destroyed instead.

Due next time are orders for the retreats and for Fall 1912.

### PRESS:

#### Press:

Josephis, staying one lane away from the inside wall to better dodge the generous "luncheon offerings" thrown by adoring fans, beat feet for the turn and didn't look back.
